

"To be or not to be"
EMBRACING
THE PATH OF
PERSONAL CHRISTHOOD

**CHURCH UNIVERSAL
AND TRIUMPHANT**

**EASTER CONFERENCE
APRIL 1 - 4, 1999**

**HYATT REGENCY
ST. LOUIS, MISSOURI**

THIS IS THE FIRST IN A SERIES OF
FOUR CONFERENCES IN 1999 DESIGNED
TO PREPARE THE PLANET AND HER
PEOPLE FOR THE TRANSITION TO
THE NEW MILLENNIUM.

Our spiritual work will focus on systematically transmuting specific personal and planetary records of karma. Join us in St. Louis at "To Be or Not to Be" to personally experience the transfiguring power of the resurrection flame and help bring spiritual renewal to the planet.

"Every day you will have to answer the question

"To be or not to be?" Every day you will have to decide

whether you are going to be like Hamlet and lament your fate.

You will have to decide whether you are going to take arms

against a sea of troubles—and transmute them."

ELIZABETH CLARE PROPHET, 7-4-96

Mother will join us during the conference as her health permits.

TWO THOUSAND YEARS AGO JESUS CHRIST AFFIRMED, "I AM THE OPEN DOOR WHICH NO MAN CAN SHUT."

Now at the close of the age of Pisces, Keepers of the Flame are called to become the fullness of that "light which lighteth every man that cometh into the world."

Jesus came for the mitigation of the returning karma of humanity for the last 25,800-year cycle. His mission and sacrifice gained the dispensation that humanity's karma has been mercifully released in a spiral over 2,000 years to give us the opportunity to put on our individual Christhood. Today we are called to stand with Jesus to mitigate this returning karma symbolized by the Four Horsemen. We are coming together this Eastertide to accelerate the quality of the heart to meet the challenges, within and without, brought by the Four Horsemen.

In her landmark lecture, "To Be or Not to Be," the messenger spoke of the difficulties, as well as the opportunities, foretold by prophecy and astrology that are before us. We as Keepers of the Flame are called to meet these challenges. By love, we are compelled to demonstrate our self-mastery. Now more than ever, we need to put on the full mantle of our Christhood and in loving service to others, take up the burden and the light of our Lord.

Our Easter Class is an opportune time for spiritual renewal for ourselves, our beloved Church, our communities and the planet as a whole. As we gather in one accord in prayer, decrees and invocations, we together can make a difference.
